

TG-ALV-WTURN

Online River's line of stylish and affordable entry turnstiles control pedestrian traffic flow and aid in reducing theft in retail applications

TG-ALV-WTURN turnstiles are ideal for applications that have limited floor space. The **TG-ALV-WTURN** is a three arm turnstile and is ordered in left hand or right hand operation.

All of our turnstiles can be used in conjunction with Online River's modular post and rail or pedestrian gates.

TYPICAL INSTALLATION SITES

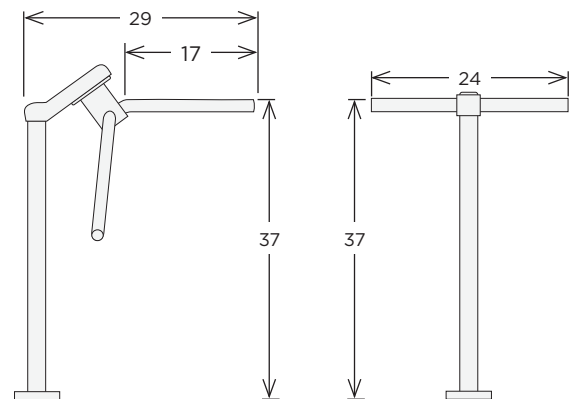

- Retail and specialty stores
- Grocery and warehouse stores
- Home improvement centers
